Weekly Bulletin

With kindness, respect and gratitude, together we aim high in all we do

Headteacher's message:

Highlight from this weeks learning have included science workshops and poetry recitals. Children have also enjoyed professional coaching in martial arts, basketball, tennis and dance! On top of working hard in maths, reading and writing, it has been a busy week! We have also had our poetry competition heats and are looking forward judging the final on Monday! Thank you to all parents who took the time to complete the parents' feedback survey which will help us move forward. Best wishes to all mums and grandmas for Mother's Day!
