TEACHER'S GUIDE

It's time to get creative!

But first, here is a guide to get the best results...

1 Provide each child with an artwork template, ask your fundraiser if you need more. **DO NOT PHOTOCOPY.**

2 **Read through our handy tips** so that you can guide the children on what they can and cannot do.

3 Have the children draw and create their artwork on the template. **Check out the inspiration poster for ideas!**

4 Make sure that each child's design has their full name & class name in block capital letters at the top of the template. **This should be completed by** *Parents.*

5 **Collect all the completed templates and pop them into the envelope.** Then, fill out the details on the front and have them ready for your fundraiser to collect by your agreed collection date.
