

Friday 14th January 2022

It has a very busy 1st full week back. Great to see so much learning, laughing and playing!

Please note, the recent Ofsted inspection report is now available through our school website for you to read.

Reading for Pleasure – Book Swap

Following the success of November's Book Swap, we will be holding another on Thursday 20th January. The children can bring their unwanted books (maximum of 3 per child) into school on Monday, Tuesday or Wednesday. They will then receive a token for each book donated to "spend" on a new book on Thursday morning.

Plans are already starting to form for our celebration of reading on World Book Day (March 3rd). **No special costumes are required this year** - in school we will be celebrating bedtime stories so children are welcome to spend the day in their pyjamas! More details to follow soon.

Y6 Playleaders

Playleaders have been busy this week sharing their love of fun and active games at playtimes with KS1.

Well done Y5 and Y6 Playleaders for dedicating your free time and being such great role models for our younger children.

Musical talents

I am very lucky to have my office opposite the musical 'Spruce Room'.

This week I have been treated to Ava Kendrick's delightful piano playing.

Well done Jessica Phillips for being awarded with her first record of achievement – the first of many I'm sure!

Coronavirus Update

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to school immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Rev Michael Assembly

Thank you, Rev Michael Mills, for your assembly story today. The children were enthralled by the story of 'Earl and Mooch' and how they learnt that the best gifts to give and receive are friendship and love!

We look forward to seeing you again very soon!
