- For trips and activities, the school relies upon your parental contributions to allow us to give your children those extra opportunities they look forward to throughout the year. Where we do not receive sufficient financial support, those activities might be a risk of not taking place, as unfortunately the school budget is tight. Please can we ask you to support the school by paying for trips when we ask for a contribution. The Friends of Hillside are generous in their support and often subsidise trips to try to keep the costs down for parents as much as we can.
- Year 3 & 4 - Next week we will be participating in drowning prevention week during school swimming lessons. **If the children could come in their swimming costumes and bring along either pyjamas or boys can bring a t-shirt to go with their shorts or leg ins and t-shirt for girls.** No onesies, jeans or heavy clothing or nothing new that could potentially discolour from the chlorine.
- Next week is sports week. Please ensure children are in their normal PE kit for their PE day (unless notified by their class teacher). On Thursday all children need to come to school wearing trainers, PE kit and/or something pink for our race for life.
- On Friday, KS2 will be invited to break a Skipping Guinness World Record! If KS2 children have a skipping rope at home, please bring it in. We will have school skipping ropes available but having some more for the record will be a great help.
- With the hot weather now with us, please ensure that children are coming into school each day having had sun cream already applied.
- Look out for the Friends of Hillside newsletter; it also contains a link to a form to confirm if you can help out at the summer fair.
- We can confirm that the wear yellow for cystic fibrosis has raised £272.14. Thank You!
- Sports day (05/07/22) timings KS1 9.30am – 11am (Please drop children off at school as per usual). KS2 1.30pm – 3.00pm. We will walk all children back to school for normal pick-up. This way they do not need to take their belongings to the school field.
